September 15, 2009 Alan was

As the Research technical lead for development of the Dolby Volume algorithm, I worked closely with Greg when Dolby Volume was transformed from research prototpye to engineering reference

senior to Greg but didn't manage directly

code. Greg was a key team member for this project, and I enjoyed working with him tremendously. Greg was very quick g... **See more**

November 3, 2008, Mike worked with Alan in the same group

At Lava.com Mike saw a prototype piece of research software I had written for advanced, sound-reactive 3D visuals and then had the vision and drive to transform it into a company sponsored start-up which broke very new ground in electronic media delivery. Mike is a rare marketing professional in the fact that he comm... **See more**
